A Challenge Greater Than In Any

WHAT DO WE MEAN BY TRAINING ANYWAY?

- The use of various methods of instruction, teaching, education, tutelage, MENTORING and ROLE MODELING to develop a person's character and specific skill sets.

WHO SHOULD BE INVOLVED IN THIS TRAINING?

- Deuteronomy 6:6

WHAT DOES IT MEAN TO BE GODLY?

- Godliness can only be striven for by people who have a personal relationship with Christ. It cannot be achieved through practices or rituals of religion.
- Holiness is the near cousin of Godliness.
(1 Peter 1:15,16)

WHAT DOES IT MEAN TO BE A MAN?

- The definition of a “manly” man might be tied to the attitudes of a generation.
- The image of a “manly” man might be tied to the attitudes of a culture.
- Roles and responsibilities of a man are not negotiable in God’s plan for the family.
